

Glance Mmedia Technologies Private Limited Privacy Policy

General

At Glance Mmedia Technologies Pvt Ltd (“Glance”, “We”, “Us”, “Our”) we ask for and use our user’s (“You”, “Your”, “User”) personal information and are committed to keep this information secure. This policy talks about why we ask for personal information and how we keep it secure. Please note that during the course of your relationship with Glance, you will be given more of such information. We request you to please consider it carefully. We also request you to review our privacy policy from time to time because your use of our products and services implies your acceptance of the prevailing Privacy Policy.

Information we collect from you

We collect the following information from you during the usage of the app and/or our website:

1. Personal Information

- a. Name, Birthday and Gender
- b. Email address and phone number
- c. Interests and likes through third party logins. By logging in through Facebook, you accept to [Facebook’s Privacy Policy](#) and by logging in through Google, you accept [Google’s Privacy Policy](#). By logging in through email or phone number, you agree to receive emails and SMS from us. Please know we do not incessantly mail and spam our users.

2. Device Information

- a. IP address and network information
- b. Device Geo-location
- c. Contacts and SMS
- d. OS/browser used and device model number
- e. Other network information
- f. Your interactions with the app/website

3. Analytics tracking through [Google Analytics](#)

The information we collect about you will depend on the products and services we offer. If you do not allow us to collect all the information we request, we may not be able to deliver all of these services effectively.

How we will use this information

We will use the information to establish identity and assess applications, design our products, manage our relationship with you, offer our products and services, get in touch with you, comply with country laws and inform you about other products or services we think you might find of some use. We may also collect and use this information in other ways permitted by law.

We will take utmost care to ensure that your personal information is not shared with the public and that your transactions (if any) on the Website/app are confidential. If we use any third parties for any of these transactions we will also make sure that confidentiality is maintained.

We do not provide personal information about our customers to other organizations. Any information shared for business and/or analysis purposes will be anonymized and personally identifiable information will be not shared. .

Cookies/Cache

Cookies are small data files that a website stores on your computer or device. We will use cookies and caching on our website/app similar to news aggregator websites and online marketplace websites. Use of this information helps us identify you in order to make our website/app more user friendly. We might also use this information to display advertising from third party companies. Most browsers will let you decline cookies but if you choose to do this it might affect service on some parts of our website.

We might also use other technology to track how you interact with our website/app and employ some third party services such as Google Analytics to track the data on our behalf.

Information security

We store and process your personal information on [Amazon Web Services](#) cloud servers. We protect your information using physical, technical, and administrative security measures to reduce the risks of loss, misuse, unauthorized access, disclosure and alteration. Some of the safeguards we use are firewalls and data encryption using SSL, and information access authorization controls.

However, you understand and accept that there's no guarantee that data transmission over the Internet will be completely secure and that any information that you transmit to us is at your own risk.

Third party websites

With this policy we're only addressing the disclosure and use of data collected by us. If you visit any websites through the links on the Glance app/website please ensure you go through the privacy policies of each of those websites. Their data collection practices and their policies might be different from this policy and Glance does not have control over any of their policies.

We might post your data on various pages of our website/app that will be visible to people other registered users connected to you via social media. If you wish to not have your information shared please let us know at info@theglance.in

If it so happens that Glance is part of a merger, acquisition or amalgamation, your data might be part of the deal with that third party and will be transferred to them.

Updates/Changes to the Privacy Policy

Glance reserves the right to change, add or modify the privacy policy and review it periodically. All changes will be posted to this page and all our users will be notified of all changes via our website/app.

Disclosure

During the course of operations and our relationship with you we might disclose your information to third parties associated with Glance and the government and other judicial bodies mandated by the law and in order to comply with legal obligations.

If you have any questions or concerns about our privacy policy please contact us at info@theglance.in and we will be happy to assist you.
